

If You and Your

Family

are looking for something more than just a typical camping experience, you owe it to yourself to come and see what the Woods has to offer you! We're anything but typical!

Bremen Woods Resort is established on a 300 acre private wildlife preserve. We have an abundance of wildlife, upland birds, waterfowl nesting areas, songbirds, and birds of prey for nature and bird lovers alike. Our miles of hiking and/or biking trails allow you to commune with nature.

We have 1/2 mile of frontage on the Pine River which offers tubing, kayaking and fishing. We are within minutes of some of the best walleye, pike, bass and pan fishing in Minnesota.
